

Aquoral Provides Relief and Protection

Aquoral Protective Oral Spray

Rapid, effective, prescription-strength relief of symptoms in a convenient, discreet spray. 92 percent of patients saw improvement in their dry mouth symptoms.

- Provides long-lasting relief for up to 6 hours
- Lipid-based spray moistens and lubricates the mucosa, creating a protective barrier that does not wash away after eating and drinking
- Provides rapid relief with easy and convenient application
- Improves the ability to chew, taste, swallow, speak, and sleep
- Available only by prescription through direct mail pharmacy

In clinical trials, Oxidized Glycerol Triester (OGT) spray was shown to provide significant benefits to most patients.

- Researchers concluded that the lubricating and protective qualities of OGT improved dry mouth symptoms as well as other factors related to patients' quality of life, which can be severely affected by xerostomia.
- OGT spray was the most efficient at lubricating the hard tissues tested.
- OGT spray performed statistically better at preventing water loss when tested against many commercially available xerostomia relief products.

Welcome to the AQUORAL

Direct to Patient Pharmacy Program

A prescription fulfillment service designed to deliver **AQUORAL to your door**

How the program works:

- Your prescription for AQUORAL was sent to Transition Pharmacy.
- Transition Pharmacy will call you within 24-48 hours from a 215 area code. You may be asked for your date of birth, address, prescription information and form of payment. All major credit cards, including FSA/HSA cards, are accepted.
- If you don't receive a call within 48 hours from a Transition Pharmacy patient advocate, call the pharmacy at (833) 821-8187.
- Under the AQUORAL Direct to Patient Pharmacy Program, you can expect to receive your prescription at the lowest possible cost to you.
- The AQUORAL Direct to Patient Pharmacy Program will process your order and deliver AQUORAL directly to your home at no additional cost to you. Your Aquoral shipment will arrive within a few days.
